androidtv

ANDROID 11

An easier way to enjoy the entertainment you love. Stream from your favorite apps, play music and games, cast from any device, and more.

Google Assistant

TALK TO THE GOOGLE ASSISTANT

After setup, press the mic button on your remote to quickly find the latest blockbusters, check the score of the big game, or control your TV.

Google Play

GET APPS FROM GOOGLE PLAY

The Google Play Store offers apps you're sure to love. Watch shows, stream live sports, play games and more.

Chromecast built-in

CAST TO YOUR TV

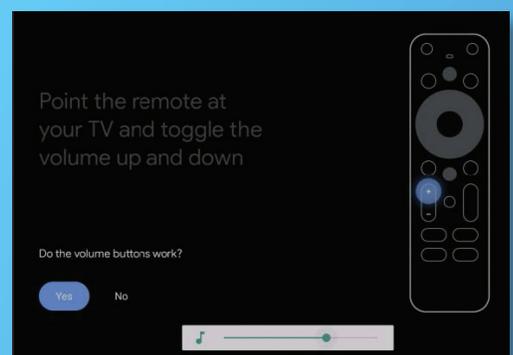

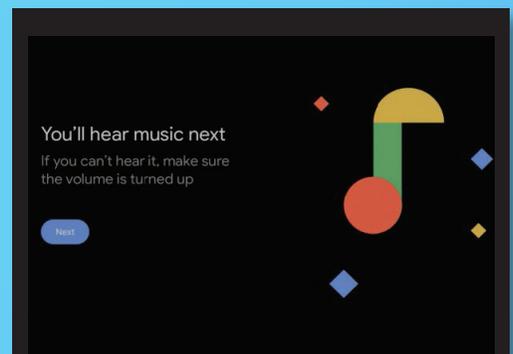

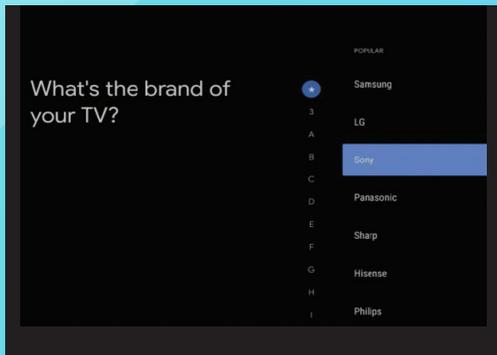

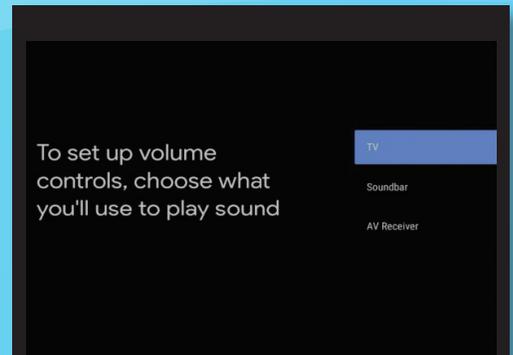

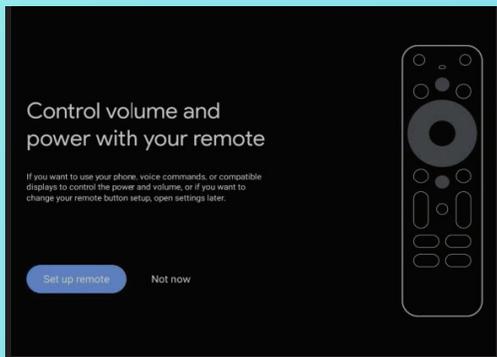

With Chromecast built-in, you can quickly cast photos, videos, and music from your phone right to your TV.

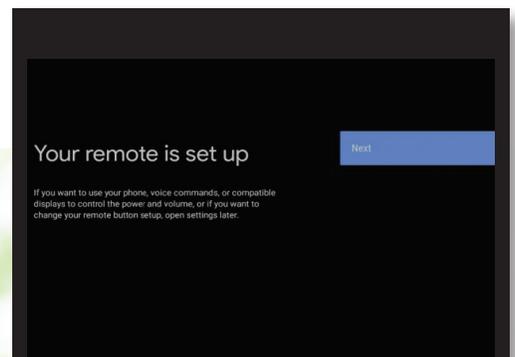

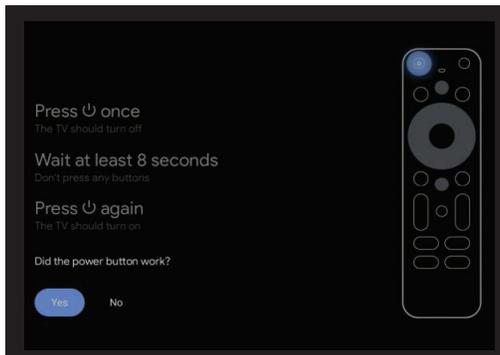

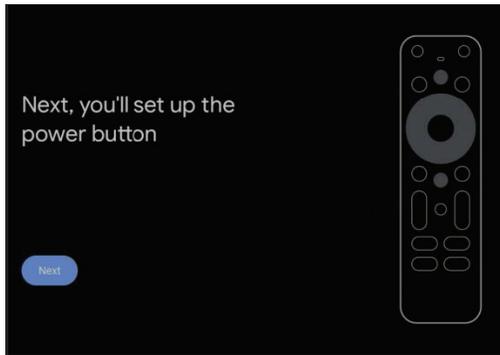

Low Power Sleep Mode

Turn On or Off Low power sleep mode to manage power consumption. Leaving only essential services, shut down other services to keep equipment running at the lowest power consumption.

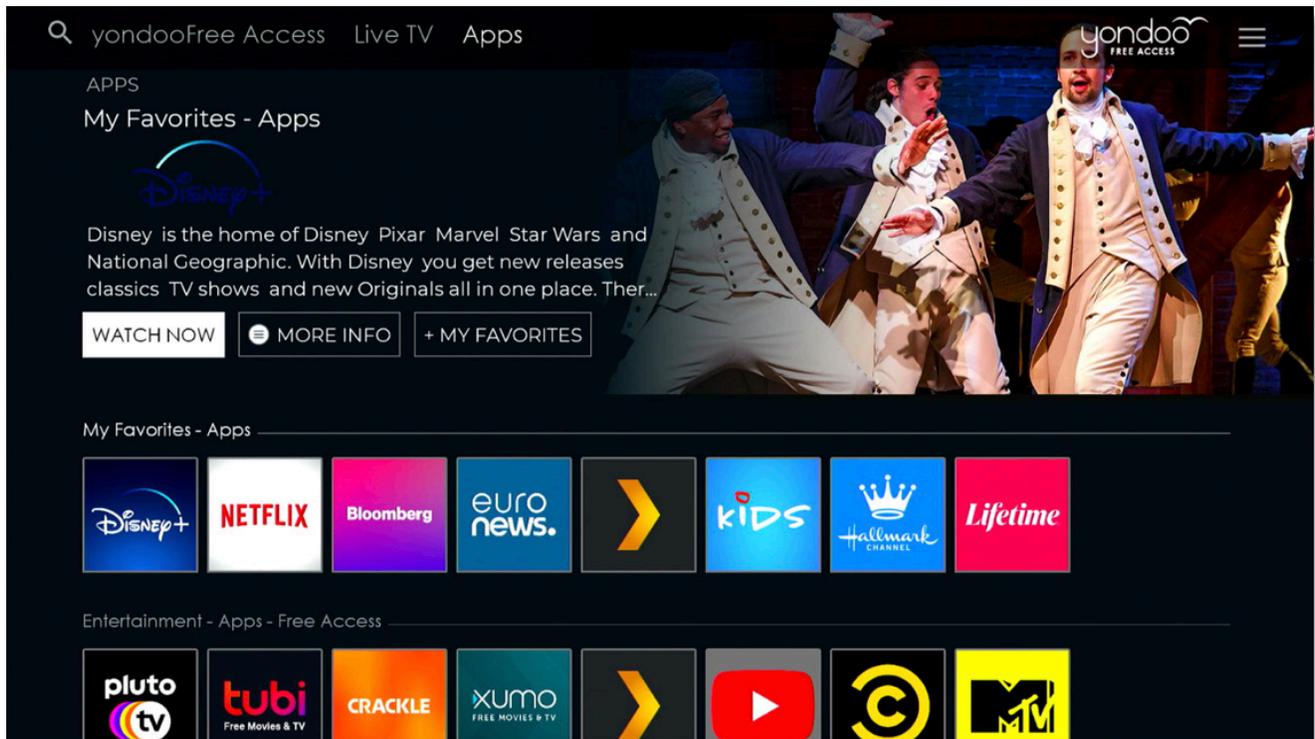

RCU Setup

RCU Setup

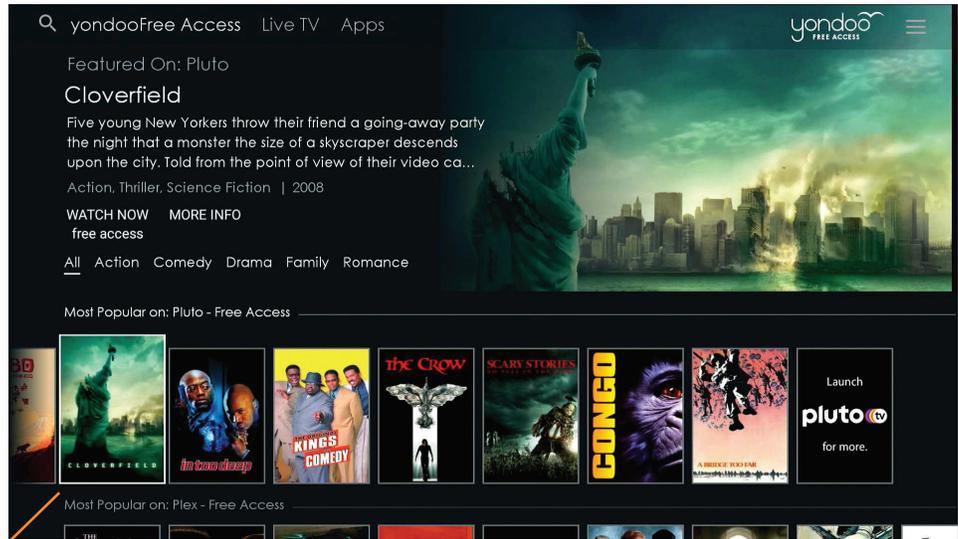

App Screen

Enjoy streaming movies, shows and live TV content from your favorite apps in 4K Ultra HD.

TV Button

Press the TV button and this will directly open Google Play Store page to install the yondoo Free Access App.

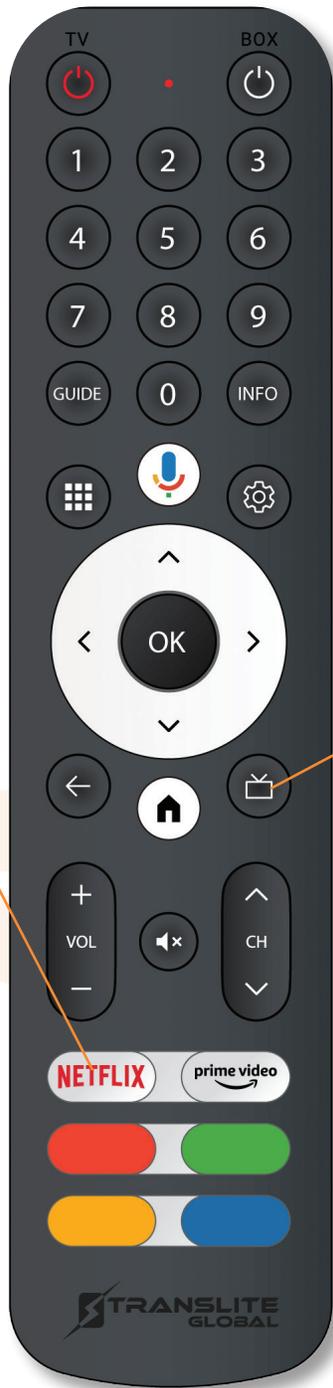

Upon installation, the yondoo App gets mapped to the TV button. Going forward, pressing the TV button will directly open the yondoo App.
